Missouri Community Betterment Awards Competition

The Salem Area Community Betterment Association will once again participate in the Missouri Community Betterment awards competition.

The MCB judges will be in town Tuesday, September 16.

Local residents and business owners are being asked to spruce up their property to show pride in our town.

If your business has an outdoor marquee, please consider placing
"Welcome MCB Judges"
on the marquee.

The Missouri Community Betterment Program is designed to help Missouri communities enhance their life through overall community development, planning and implementation. The MCB Program accomplishes this mission primarily by lending technical assistance to communities; by officially recognizing the participating communities and neighborhoods; and by awarding those that excel in the program.

**Let's put our best foot forward to show the judges
our community pride.**

Director's Corner,

As we gear up for the beginning of another school year and begin to see the signs that summer is coming to a close, the Chamber enters a very busy time. The Golf Tournament on the 27th of September and the Annual Banquet/Silent Auction on November 13th. As local community businesses you are approached on a regular basis for sponsorships and donations. As Director, I would like to express my gratitude for your ongoing support. We are truly blessed to have so many of you offer your support to such a generous extent. So if you have not yet been approached in regards to a sponsorship or donation, more than likely you will be soon. On behalf of the Salem Area Chamber of Commerce we say Thank You, for all the times you give and for the times you can't, we understand.

Thank You, again
Patty Shults
