Members,

Due to rising costs of printing and mailing, the Chamber Board Members have made a decision to publish a Newsletter on a quarterly basis only. I will be printing another newsletter at the beginning of October with all of the times and dates of the Holiday events. From then on the newsletters will be published at the beginning of January, April, July and October. Each publication will give you as much information as possible regarding the next three months of events and activities. We do ask that if you receive the newsletter by mail and you would rather only receive it by email, to contact the office so that we may remove your name from that mailing list. There is also a copy of each newsletter on our website at www.salemmo.com.
